WCA27 - ENRACINÉS

Winter Camp Alive - 29 to 31 January 2027

Cathedral International

These general terms and conditions govern registration for and participation in Winter Camp Alive 2027 ("WCA27"), organised by Cathedral International.

By confirming the registration, the participant, or their legal representative when the participant is a minor, acknowledges that they have read and accepted these general terms and conditions.

1. Registration and fee

The participation fee for WCA27 is CHF 250.- per participant.

Registration is personal. It is considered final once the registration form has been validated and payment has been confirmed using the selected payment method.

2. Payment

Payment is made online using the payment solutions offered on the registration website.

When a participant chooses an instalment or deferred payment option offered by Klarna, the financing relationship, payment schedule, late payments, any applicable fees and debt collection are governed by the Klarna terms and conditions applicable to the participant.

Cathedral International is not involved in the financing relationship between Klarna and the participant and accepts no responsibility for managing payment deadlines or any fees charged directly by Klarna, subject to responsibilities that cannot legally be excluded.

3. No refunds

All registrations for WCA27 are final and non-refundable.

In the event of cancellation, withdrawal, absence, late arrival or early departure by the participant, no refund of the amount paid will be made, regardless of the reason.

The participant is encouraged to check their availability before finalising the registration.

4. Transfer of a registration

If a registered participant is ultimately unable to attend WCA27, they may request that their registration be transferred to another person.

The transfer is not automatic and must be discussed with and approved in advance by the WCA27 general organisation team.

All requests must be sent to alive.suisse@gmail.com.

The organisation reserves the right to refuse a transfer, particularly when the new participant's information cannot be obtained in time or when administrative, accommodation, transport or safety requirements can no longer be met.

5. Participants under the age of 18

Any person under the age of 18 participating in WCA27 must have the authorisation of their legal representative.

The registration of a minor cannot be considered complete until the documents and authorisations requested by the organisation have been provided.

The legal representative confirms that they have provided the organisation with the information required to care for the minor during the camp.

6. Health, allergies and emergencies

To ensure the safety of participants during the camp, certain information relating to health, allergies, medical treatment or specific needs may be requested during registration.

The participant or their legal representative agrees to provide accurate and sufficiently complete information whenever it is necessary for the participant's safety.

This information is processed solely for the organisation and safety of WCA27 and in accordance with the applicable privacy policy.

7. Image rights - Photographs and videos

During WCA27, photographs and videos may be taken by the Cathedral International and Alive communications team in order to document the camp and communicate about the organisation's activities.

This content may be used on social media, websites, presentation materials, recap videos, posters and other Cathedral International and Alive communication materials.

The participant will not receive any compensation for the use of these images.

For participants under the age of 18, authorisation concerning image rights must be given by their legal representative.

Any request concerning the use or removal of an identifiable photograph or video may be sent to alive.suisse@gmail.com. Cathedral International will review the request and take all reasonably possible measures concerning content under its control.

8. Conduct during the camp

Each participant agrees to respect the leaders, other participants, accommodation facilities, equipment made available, and the safety and community rules communicated by the organisation.

In the event of serious behaviour that endangers the participant, other people or the proper running of the camp, the organisation may take appropriate measures, including excluding the participant.

Exclusion resulting from the participant's behaviour does not entitle the participant to a refund of the registration fee.

9. Modification or cancellation of WCA27

The organisation may modify certain elements of the programme, schedules, activities, speakers or general organisation when circumstances require it.

In the event of exceptional circumstances beyond the organisation's control that prevent or substantially affect the camp, Cathedral International will inform participants of the applicable measures.

Rights and obligations that cannot legally be excluded remain reserved.

10. Personal data

The data provided during registration is used for the organisation of WCA27, including the management of registrations, payments, accommodation, transport, safety, emergency contacts and communications relating to the camp.

Health and allergy information is handled with particular care and only to the extent necessary for the safety and organisation of the stay.

Detailed information concerning the processing of personal data is set out in the WCA27 Privacy Policy.

11. Acceptance of the terms and conditions

Before finalising their registration and payment, the participant must confirm that they have read and accepted these general terms and conditions.

For participants under the age of 18, any confirmations and authorisations requiring the consent of the legal representative must be given by that representative.
